

Special Thanks!

We are grateful for the ongoing support from our local Thunder Bay Knights of Columbus groups, including generous donations from Leo Council. Thank you also to the Roman Catholic Diocese of Thunder Bay for inviting us to speak at various events during the year and including us in the annual Marian Prayers for the Unborn.

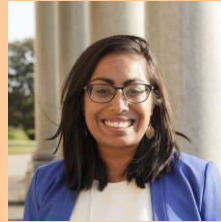

Thank you to Rob Freeman and everyone at UCB Radio for your ongoing media support and all that you do to keep the pro-life message alive in Thunder Bay!

NATIONAL CAMPUS LIFE NETWORK

Momentum Tour

(with Ruth Shaw)

Thunder Bay was included in National Campus Life Network's **MOMENTUM TOUR** this fall, providing an opportunity to hear NCLN Director Ruth Shaw speak about the importance of raising up a pro-life generation and the need for pro-life leadership on our College and University campuses. One hundred people came out to hear Ruth speak and to be part of our first Thunder Bay screening of the film *Unplanned!*

Reaching Out!

Thunder Bay ' & Area'

A reminder that our work extends beyond the Thunder Bay City Limits! We were pleased to be able to drop off a box of pro-life resource materials this past summer to Pastor Adam Hall and his congregation at Dryden First Baptist Church! If your church or group outside of Thunder Bay is looking for resources, speakers or other assistance to keep your community informed about pro-life, please do not hesitate to contact us.

STAY INFORMED!

ARE YOU ON FACEBOOK?

We encourage you to join our **CLOSED GROUP** - a place to connect with other pro-life individuals in our area and beyond for information, encouragement and support! Our active **PUBLIC PAGE** will also help you stay informed about local and national pro-life news and events with regular updates and resources including videos, interviews and more!
