

The Right to Life Association of Thunder Bay and Area

2023 Membership Campaign

The Right to Life Association of Thunder Bay and Area is now accepting applications for membership (new or renewal) for the upcoming year, January 1 – December 31, 2023 or donations to our General Fund. We trust that you will consider applying for membership or donating. It is only with continued financial support that we are able to continue our efforts to *save lives*.

Who We Are

The Right to Life Association of Thunder Bay and Area, established in 1971, is a volunteer non-sectarian, human rights organization dedicated, **through education**, to providing a sure and certain voice regarding the care and protection of the pre-born children, women and men hurt by abortion, the infirm, disabled persons and the aged.

OUR BELIEFS

In spite of the many complexities we face in the world today, there is one issue that can only be understood in absolute terms: the inherent value and dignity of all human life, which belongs to God, from the moment of conception until natural death. Respect for the inherent value and dignity of all human life is non-sectarian in nature, transcending race, religion, social status, and all other potentially divisive classifications. From the moment of conception onwards, a unique human being comes into existence where none existed before. Accordingly, this person's right to life deserves full constitutional protection, as promised by law to all other members of our society. We oppose the violence of abortion, fetal and embryonic experimentation, unethical reproductive technologies, infanticide, assisted suicide and euthanasia. We cannot remain silent.

OUR MISSION

Our mission is to promote a greater respect for the dignity and worth of all human life from conception to natural death.
